Description

Hawton Lane Industrial Estate consists of two blocks of recently refurbished industrial units each incorporating an open plan working space, 3-phase electric supply, and accessible toilets. All the units feature brand new electric shutter doors, lighting and repainted floors/walls alongside 3 designated car parking spaces located at the front elevation.

All units are undergoing extensive refurbishment and renovation with practical completion set for occupation as of the 1st September 2024.

Location

The units are to be located 2 miles (3.22 km) south from the market town of Newark-On-Trent, with a population of 29,755 (2021 Census). The units can be accessed by Hawton Lane which is a .146km-long mixed-use roads. Accessible from both ends via the B6326 to the east and Bowbridge Lane to the west, both providing links to the town and the A1. The A46 in the north of the town provides access to other major conurbations such as Nottingham lying just 21 miles (33km) South East with a population of 323,600.

Hawton Lane provides good transport links with a bus stop within walking distance and railway connections (East Coast Mainline) can be accessed by Newark Northgate train station.
